### Mount Sinai Launches their Signature Bracelet

This year the Mount Sinai Hospital Auxiliary decided to raise money by having P.I.N.K. design a signature piece of jewelry that was launched at the hospital's opening breakfast. Since its launch the hospital has sold 382 of these dazzling bracelets in less than one month. The bracelets are made from honey and light sapphire Swarovski crystals, sterling silver and a sterling silver Mount Sinai Hospital charm.

In order to purchase one of these radiant bracelets you must go to the Mount Sinai Hospital Auxiliary located at 5690 Cavendish Blvd, Côte-St-Luc, QC H4W 1S7.

To visit the Mount Sinai website go to <http://www.sinaimontreal.ca>
